Founded in 1993 by John C. Anderson, AMERX Health Care Corporation has been long-known for our top-rated AMERIGEL® line of topical wound and skin care products. Since our inception, AMERX has grown to offer a comprehensive suite of wound care products including HELIX3® Bioactive Collagen, AMERX® Wound Care Kits & Dressings, and the EXTREMIT-EASE® Compression Garment.

Enjoy the quality and convenience of working with an established company that has delivered proven results for over 25 years. Our high-quality, affordable products address today’s wound and skin care challenges – providing health care facilities and private practice physicians the tools for success while helping patients live healthier lives.

INDUSTRY-LEADING PRODUCTS

- AMERIGEL Hydrogel Wound Dressing
  - #1 Topical Dressing following Matrixectomies since 2003 - Podiatry Management Annual Surveys
  - #1 Wound/Ulcer Treatment since 2006 - Podiatry Management Annual Surveys

- EXTREMIT-EASE Compression Garment
  - Listed among the 2017 Top 10 Innovations in Podiatry - Podiatry Today, July 2017

MORE REASONS TO DISPENSE AMERX PRODUCTS

- BOOST POSITIVE OUTCOMES - Trusted, FDA-cleared, PDAC-approved products with proven results for more than 25 years.

- INCREASE PATIENT COMPLIANCE - Studies show 60-70% higher patient compliance rates when products are supplied direct to the patient.

- ENHANCE PATIENT SATISFACTION - Save your patients time and money by helping them avoid additional trips to the pharmacy.

- EXPERIENCE SUPERIOR SERVICE - AMERX is ready to assist you with: coding/billing questions, product training, dispensing protocols, and promotional materials to support your dispensing program.

Boost positive outcomes, enhance patient satisfaction, and increase compliance with Turn-Key DME® by AMERX Health Care.
UNLOCK YOUR PRACTICE’S HIDDEN POTENTIAL

Choose AMERX Health Care’s Turn-Key DME® program for the support you need to streamline protocols, navigate Medicare DME requirements, properly bill for DME Wound Care supplies, increase Per Patient Value (PPV), and enjoy the benefits of dispensing DME Wound Care supplies without the stress.

AMERX now offers two convenient options to help drive your practice profits—Doctor Direct and Patient Direct. Choose the solution that best suits your needs, or combine them both to unlock your practice’s full growth potential!

Zero-Inventory Dispensing Program
- Wound care supplies delivered direct to your patient’s doorstep.
- NO upfront costs or minimums.
- Verified insurance coverage, accurate claims submission, and YOU keep the revenue.
- Drive results with access to the full suite of AMERX products tailored to your patient’s needs.

In-Office Dispensing Program
- Patients leave office with wound care supplies the same day.
- Volume discount pricing available on all products
- Improve patient compliance with brands you trust.
- Become a complete resource for your patients’ wound care needs.

Choose your DME Supplies today!

COMPRESSION THERAPY

EXTREMIT-EASE.®

COMPRESSION GARMENT

INDICATIONS:
Management of mild to moderate swelling from lymphedema, chronic venous insufficiency, acute post-operative edema and other swelling disorders.

Gradient Compression Wrap
Provides 30-50 mmHG of Short Stretch Compression
No Natural Rubber Latex
Includes Garment, Liner, and Laundry Bag
Available in 6 sizes (XS - XXL) for Regular and Tall Lengths
Machine Washable

*Podiatry Today, July 2017

LISTED AMONG TOP 10 INNOVATIONS IN PODIATRY*

SIMPLICITY
Where Compression Meets Compliance

► Easy for patients to independently apply and adjust.

► Made with lightweight, air permeable fabric for hours of comfortable wear.

► Reduces pistoning, common with layered compression.

► Machine washable with provided mesh laundry bag.

**SECURE**

Dressings and Devices Gently

- Soft, comfortable tape uses gentle adhesive for sensitive skin.
- Breathable, non-woven dressing conforms to joints, bony prominences, and flexible body parts.
- Water resistant dressing provides dependable adherence in high-moisture prone areas.

**RETENTION TAPE**

RECOMMENDED FOR:
Securing primary dressings, catheters, feeding tubes, and similar devices.

For Use as a Secondary Dressing
No Natural Rubber Latex
Available in 2” x 11 Yard rolls; 1 roll per box
COLLAGEN POWDER - CP

INDICATIONS:
Management of burns, sores, blisters, ulcers and other wounds.

Non-Hydrolyzed Native Collagen
Biodegradable
and Biocompatible
No Additives, Synthetics or Fillers
Sterile
Rx Only
Available in 1 g packets; 10 packets per box

PROMOTE
Moist Healing of Draining Wounds

- Each gram absorbs 40-60x its weight in fluid.
- Contributes up to 10X more non-denatured collagen protein than competing products.
- Retained native helical structure enhances the vital “scaffolding” process for granulation tissue formation.
